Subregional VHF Contest July/Juillet 2017

Compte rendu du contest subregional VHF des 1er et 2 juillet 2017. J'ai été actif durant 11 heures sur les 24 que compte le contest. Assez bonne propagation et bonne activité tous azimuts (sauf peut-être vers le sud). 14 QSO's à plus de 800 km et 3 à plus de 1000 km. Plus de 20 stations OK contactées, il y a longtemps que ça n'était plus arrivé. 27 QSO's en CW, il y a longtemps également. Un contest très plaisant malgré une participation relativement courte !
Station : 2×9 él. DK7ZB et 1kW

Activity report of the subregional VHF contest of July 1st and 2nd, 2017. I have been active during 11 hours amongst the 24 the contest lasts. Fairly good propagation and good activity all around (except perhaps to the South). 14 QSO's further than 800 km and 3 further than 1000 km. More than 20 OK stations worked, it is long ago since it last happened. 27 QSO's in CW, long ago as well. A very pleasant contest despite a somehow short participation !
