

# EME 144 MHz : TX7EME, DXCC

## #122

Profitant d'un voyage professionnel en Polynésie française, Giulio, IW3HVB a activé l'île de Moorea en EME sur 144 MHz, sous l'indicatif **TX7EME**. Opération remarquable, d'autant plus que Giulio a mené à bien seul cette expédition. Giulio utilisait 2x9 él. XP et 1kW. J'ai eu la chance de contacter TX7EME au troisième passage de lune ; niveau de signal reçu -22 dBJT (-20 pour moi en Polynésie). Pour ce QS0, j'ai utilisé comme antenne ma seule 12 él. DK7ZB sans élévation, profitant ainsi du gain sol.

Taking the opportunity of a business trip in French Polynesia, Giulio, IW3HVB has activated Moorea Island in EME on 144 MHz, under the callsign **TX7EME**. Remarkable operation, all the more Giulio has conducted it alone. Giulio has been using 2x9 el. XP and 1kW. I have been lucky to work TX7EME on his third moonpass ; received signal level -22 dBJT (-20 for me in Polynesia). For this QS0 I have been using my single 12 el. DK7ZB without elevation, getting advantage of the ground gain.
